collezione mare

L'equilibrio della semplicità. Linee pure ed essenziali per un perfetto mix tra design e funzionalità, sono i tratti distintivi di Mare, la nuova collezione disegnata da Matteo Thun & Antonio Rodriguez, in grado di suggerire un'idea di assoluta armonia che si adatta ad ogni singolo spazio. I lavabi sospesi e le bacinelle dalle forme pulite si affiancano a sanitari sospesi e a terra che prevedono l'utilizzo della nuova tecnologia di scarico rimless 2.0.1, una vera rivoluzione dal punto di vista estetico e funzionale.

The balance of simplicity. Pure and essential lines for a perfect mix of design and functionality, these are the hallmarks of Mare, the new collection designed by Matteo Thun and Antonio Rodriguez, capable of suggesting an idea of absolute harmony that adapts to every single space. The suspended, wall-mounted washbasins and bowls with clean, pure shapes sit alongside the suspended, wall-mounted and free-standing sanitary ware which use the new rimless 2.0.1 flush technology, a true revolution in terms of an aesthetic and functional point of view.
