## WALLS EMERGING

Pareti che diventano opere d'arte, che crescono, si ampliano e arricchiscono lo spazio, come scenografie di un teatro barocco. Il movimento prende vita dai materiali che si sovrappongono e creano forma e profondità con uno stile unico. La magia sensoriale e la poetica tridimensionale decorano l'ambiente, rendendolo un luogo sospeso nel tempo. SICIS riscopre le infinite possibilità espressive dell'arte realizzando opere inimitabili per stile e maestria.

*Multi-dimensional walls that expand and enrich, transforming a space into a living work of art. The overlapping shapes creating depths that intrigue the senses. SICIS rediscovers the infinite expressive possibilities of art, creating works with inimitable style and mastery.*
