A new concept of home

RETHINKING SPACES SINCE 1989

In three decades Devon&Devon has invented and reinvented products that have forever changed the way in which we experience the bathroom. In 1989, when enclosed baths were in fashion, the company launched the first Victorian design bathtub, transforming the bathroom from a functional place into a beautiful and unique environment dedicated to personal care. In 1991, the first 30 cm-diameter shower head was introduced: it looked like an exaggeration, but it became a universal trend. Since then, everything has been reinvented: the console (which until then was used only in the entertainment spaces of the most important residences) has appeared in the bathroom and wood paneling was re-proposed as a ceramic coating. Devon&Devon's history - made of recovered traditions and redefined functions - is a constant declaration of courageous unconventionality. After the bathroom, it's time to rethink the house. And Devon&Devon is ready to do that.

In tre decenni Devon&Devon ha inventato e reinventato prodotti che hanno cambiato per sempre il modo di vivere la stanza da bagno. Nel 1989, epoca di incassate, propone la prima vasca vittoriana di design e il bagno smette di essere un luogo-funzione per diventare un ambiente bello e unico dedicato alla cura di sé. Nel 1991 arriva il primo testa-doccia di 30 cm di diametro: sembrò un'esagerazione, ma è diventato un trend universale. Da allora è stata tutta una re-invenzione: la consolle (fino ad allora utilizzata soltanto negli spazi di rappresentanza delle dimore più importanti) fa la sua comparsa nella sala da bagno; la boiserie in legno viene riproposta come rivestimento in ceramica. La storia di Devon&Devon - fatta di tradizioni recuperate e di funzioni ridefinite - è una dichiarazione continua di coraggiosa anti-convenzionalità. Dopo il bagno, ora è il momento di ripensare la casa. E Devon&Devon è pronta a cambiarla tutta.

Florence Heritage

CREATED IN FLORENCE, INSPIRED BY THE WORLD

The unique, original and recognisable Devon&Devon design is the result of a wise combination of functionality and aesthetics, of contemporaneity and inspirations coming from the past. The company was founded in Florence in 1989. The exceptional craft, artistic and architectural tradition of Florence is the ideal basis of the brand's love for the quality raw materials and the craftsmanship of the handworks, celebrated all over the world since the days of the ancient craft guilds geometrical designs and the sobriety of the shapes and colours, all inspired by the decorations selected by the great architects for the churches and buildings that made the city unique.

Il design unico, originale e riconoscibile di Devon&Devon è il frutto di una sapiente commistione tra funzionalità ed estetica, tra contemporaneità e ispirazioni che vengono dal passato. L'azienda è nata nel 1989 a Firenze. La straordinaria tradizione artigiana, artistica e architettonica della città è il fondamento ideale dell'amore del brand per la qualità delle materie prime e la maestria delle lavorazioni fatte a mano, celebrate nel mondo fin dai tempi delle antiche corporazioni dei mestieri; per l'armonia delle geometrie e la sobrietà delle forme e dei colori, tutti ispirati a quelli scelti dai grandi architetti per le chiese e i palazzi che hanno reso unica la città.

A journey through a timeless collection

A TIMELESS ATTITUDE

The timeless beauty of products and designs has always been the cornerstone of Devon&Devon's philosophy of living. In fact, since its origins, it has merged the inspirations from the Florentine Renaissance with the atmospheres of European tradition and with the charm of architectures and the most refined American design of the 20th century. Traditions forgotten or considered as outdated are continuously rediscovered, reinterpreted and translated into creations with a unique taste and timeless charm. The contemporary classic style by Devon&Devon, with its exceptional refined stylistic perfection, is an exaltation of many ways of interpreting beauty. It is inspired by far-off and remote suggestions: the Victorian Age and the French Eighteenth Century; Neoclassicism and American Art Deco; Art Nouveau and the Jazz Age; La Dolce Vita and Hollywood; the Belle Epoque and the Fifties.

La bellezza senza tempo di prodotti e progetti è da sempre il fondamento della filosofia dell'abitare di Devon&Devon che, fin dalle sue origini, fonde le ispirazioni del Rinascimento fiorentino con le atmosfere della tradizione europea e con il fascino delle architetture e del più raffinato design americano del 900. Tradizioni dimenticate o considerate superate sono continuamente riscoperte, reinterpretate e tradotte in creazioni dal gusto unico e dal fascino senza tempo. Il classico contemporaneo di Devon&Devon, con la sua straordinaria pulizia formale, è un distillato di molteplici modi di intendere la bellezza. Lo animano suggestioni lontane nello spazio e nel tempo: l'Età Vittoriana e il Settecento Francese; il Neoclassicismo e l'Art Déco americana; il Liberty e la Jazz Age; la Dolce Vita e Hollywood; la Belle Epoque e gli Anni Cinquanta.

HOTELLERIE

MANDARIN ORIENTAL RITZ, *Madrid*

The bathrooms have been redesigned to deliver a new take on ultra classical elegance, as seen through the use of white and gold, opulent marble and the very finest wood. An unexpected contrast is created by pairing minimal-design sanitaryware, furniture and accessories with exquisite materials, the purity of which highlights an outstanding quality. Making no concessions to the rhetoric of opulence, beauty is represented through an altogether 21st-century minimalism, which harmoniously combines aesthetics and functionality.

Bianco e oro, marmi preziosi ed essenze arboree pregiate: le sale da bagno di uno degli hotel più esclusivi del mondo sono state progettate all'insegna di un'idea nuova dell'eleganza più classica. La ricercatezza delle materie prime trova un sorprendente contrappunto nell'essenzialità delle forme di sanitari, arredi e accessori e ne esalta, con la sua purezza, la qualità assoluta. Senza concessioni alla retorica dell'opulenza, la bellezza si veste di un minimalismo tutto contemporaneo, che fonde con grande armonia estetica e funzionalità.

CHEVAL BLANC ST-BARTH

St-Barth

Suspended between the greenery of a lush tropical garden and the light blue of the Caribbean Sea, the exclusive resort designed by Jacques Grange is a veritable oasis of peace and beauty in which everything is an invitation to immerse ourselves in nature and focus on wellness. The interior design has been conceived as a “travel journal” full of memories and meetings that refer both to the era of the colonial past and to faraway places. The geometries of the Moroccan mosaics echo in the elegant bathrooms, as do the classic lines of the most authentic European tradition.

Sospeso tra il verde di un lussureggiante giardino tropicale e l'azzurro del mare dei Caraibi, l'esclusivo resort disegnato da Jacques Grange è una vera e propria oasi di pace e bellezza in cui tutto invita a immergersi nella natura e a dedicarsi al benessere. L'interior design è stato concepito come un “diario di viaggio” fitto di ricordi e incontri che rimandano sia al tempo del passato coloniale che a luoghi lontani. Nelle eleganti sale da bagno riecheggiano le geometrie dei mosaici marocchini e le linee classiche della più autentica tradizione europea.

The interiors have been painstakingly restored, paying homage to the past but without sacrificing on 21st-century comfort. L'accurato restauro degli interni rende omaggio al passato senza rinunciare al comfort contemporaneo. I lavori sono stati eseguiti da artigiani locali utilizzando tecniche tradizionali e recuperando travi di legno, ceramiche e cotto presenti all'interno della tenuta. Le pareti in pietra lasciate a vista o intonacate a mano, insieme alla scelta di mobili tradizionali in legno naturale e colori neutri, contribuiscono a creare un'atmosfera unica e rilassata.

PORTRAIT

Milan

Commissioned in 1564 by Saint Charles Borromeo, the magnificent Baroque palace in Corso Venezia is now the new five-star hospitality gem by Lungarno Collection, the hotel company of the Ferragamo family. Peaceful and secluded, the suites of the new address for luxury hospitality in Milan were designed with inspiration from 1950s milanese living rooms and made following the Tuscan manufacturing tradition evoked by the leather brass handles of the doors as well as the surfaces of the bathrooms, made of Carrara or Breccia Medicea marbles.

Fatto costruire nel 1564 da San Carlo Borromeo, il magnifico edificio barocco di Corso Venezia è oggi il nuovo gioiello dell'ospitalità a cinque stelle di Lungarno Collection, compagnia alberghiera della famiglia Ferragamo. Silenziose e riservate, le suite del nuovo indirizzo dell'ospitalità luxury meneghina sono state disegnate traendo ispirazione dai salotti milanesi degli Anni Cinquanta e realizzate attingendo alla più autentica tradizione manifatturiera toscana, evocata dalle maniglie in cuoio delle porte e dalle superfici delle sale da bagno, in marmo di Carrara o in Breccia Medicea.

SOFITEL THE OBELISK

Dubai

Opened at the end of 2020 the Sofitel Dubai The Obelisk immediately became the go-to location for the most demanding international clientele.

Its majestic silhouette, clearly inspired by the form of the Luxor obelisks, makes it instantly recognisable. The cultural heritage of Ancient Egypt, reinterpreted from an Art Deco perspective, is the most distinctive element of the communal areas, characterised by a mastery of stained glass columns topped with goldplated capitals, towering portals decorated with multi-coloured stuccos, statues entirely covered in gold leaf, chandeliers adorned with Swarovski crystals and a large Egyptian 'key of life'-shaped swimming pool. Equally luxurious, but featuring a more contemporary taste and full digitalisation, the 595 rooms and suites have enormous windows that afford unique views of the old city of Dubai, its port and skyline.

Inaugurato alla fine del 2020, il Sofitel Dubai The Obelisk è subito diventato l'indirizzo di riferimento per la clientela internazionale più esigente. A renderlo immediatamente riconoscibile è la sua sagoma imponente esplicitamente ispirata a quella dell'obelisco di Luxor. L'eredità culturale dell'Antico Egitto, riletta in chiave Art Déco, è l'elemento più connotante delle aree comuni, caratterizzate da un tripudio di colonne istoriate sormontate da capitelli dorati, altissimi portali ornati da stucchi policromi, statue interamente rivestite di foglia d'oro, lampadari tempestati di cristalli Swarovski e una grande piscina a forma di chiave del Nilo. Ugualmente lussuose, ma di gusto più contemporaneo e totalmente digitalizzate, le 595 stanze e suite hanno enormi finestre che offrono vedute uniche sulla città vecchia, il porto e lo skyline di Dubai.

HOTEL UNION ØYE

Norway

In a remote village on the Øye Fjord, a magnificent 19th century building which has long served as a hotel, takes guests on a fascinating journey through time, marked as much by the splendour of the surrounding landscape as by the authentic beauty of the interior design. The hustle and bustle of everyday life is left outside this temple of slow hospitality, where you can rest in front of a blazing fireplace, contemplating nature and reading the biographies of intellectuals, adventurers and princes who stayed here and gave their names to the rooms of the hotel.

In un villaggio remoto sul fiordo di Øye, un magnifico edificio ottocentesco da sempre adibito a hotel conduce gli ospiti in un affascinante viaggio nel tempo, scandito tanto dallo splendore del paesaggio circostante quanto dalla bellezza autentica dell'interior design. La frenesia del quotidiano resta fuori da questo tempio dell'ospitalità lenta, in cui trascorrere lunghe giornate a riposare davanti al camino acceso, a contemplare la natura e a leggere le biografie degli intellettuali, degli avventurieri e dei principi che vi hanno soggiornato e hanno dato il loro nome alle stanze.

SOMMERRO HOUSE

Oslo

The result of a huge reconversion project involving what was once the headquarters of Oslo's electrical company, Sommerro is much more than a hotel. This grand building with its exposed brick facade is a true landmark in the Norwegian capital, which, a century after its construction, is today once again a focal point in the urban fabric of one of the city's liveliest districts. This ambitious project has been given shape by the renowned Norwegian architects Andreas Bjercke and Georg Eliassen, who have lent a new interpretation to the building's eclectic aesthetics, the result of a mix of neoclassic inspiration, purely functionalist elements and a wealth of fascinating Art Deco details. The Thirties have provided the guiding spirit for the interior design of the rooms and suites, with their fine raw materials, sophisticated decor and surefire welcoming mood.

Frutto di una grande operazione di riconversione funzionale di quello che un tempo era il quartier generale dell'azienda elettrica di Oslo, Sommerro è molto più di un hotel. Il suo imponente edificio con la facciata in mattoni a vista è un vero e proprio punto di riferimento della capitale norvegese, che – a un secolo dalla sua costruzione - ritrova oggi la sua centralità nel tessuto urbano di uno dei quartieri più vivaci della città. A dare forma a questo progetto ambizioso sono stati gli affermati architetti norvegesi Andreas Bjercke e Georg Eliassen, che hanno interpretato in modo nuovo l'eclettica estetica dell'edificio, frutto della commistione tra ispirazione neoclassica, elementi puramente funzionalisti e una miriade di affascinanti dettagli Art Déco. Sono proprio gli Anni Trenta ad aver guidato la progettazione dell'interior design delle stanze e suite, tutte caratterizzate dall'impiego di materie prime preziose, lavorazioni ricercate e un'atmosfera immancabilmente accogliente.

MONSIGNOR DELLA CASA, *Tuscany*

Located in the heart of Tuscany at its most authentic, the villa that was once home to Giovanni della Casa, author of the most famous handbook of good manners (“Galateo: The Rules of Polite Behaviour”), is today a luxurious stately home that hosts an international clientele. The building which dates back to the 15th century, and the magnificent grounds surrounding it, were the subject of a delicate preservative restoration using materials and finishes characteristic of the local tradition. The echoes of the past also ring through the elegant bathrooms with their wooden coffered ceilings.

RESIDENCE EISENHOWER

Reims

An important restoration project breathed new life into a prestigious private home constructed between 1911 and 1913. The hotel particulier located here now is named after General Eisenhower, who lived there for a few months in 1945. The exterior of the building, designed by Parisian architect François-Adolphe Bocage, eclectically blends eighteenth-century motifs with Art Nouveau inspirations. The exuberance of the facade, decorated with garlands of flowers and fruit, is offset by the sober elegance of the interiors, characterised by the extensive use of wood, marble, precious glass windows and stylish elements in cast iron. The bedrooms are all different and the bathrooms reverberates with the spirit of an early 20th century family home, and the past of a truly unique place, brimming with history.

Un importante progetto di restauro ha dato nuova vita a una prestigiosa dimora privata costruita tra il 1911 e il 1913. L'hotel particulier che vi ha oggi sede deve il suo nome al generale Eisenhower, che vi risiedette per alcuni mesi nel 1945. L'esterno del palazzo, progettato dall'architetto parigino François-Adolphe Bocage, fonde ecletticamente motivi settecenteschi e ispirazioni Art Nouveau. All'esuberanza della facciata, decorata con ghirlande di fiori e frutti, fa da controcanto l'eleganza composta degli interni, connotata dall'ampio impiego di legno, marmo, preziose vetrate e ricercati elementi in ferro battuto. Le stanze da letto, tutte diverse, e le sale da bagno richiamano lo spirito di un'abitazione di famiglia del Primo Novecento e il passato ricco di storia di un luogo davvero unico.

TORRE DI SAN MARTINO

Chianti

A 13th-century tower, standing tall among rolling hills of Chianti has been transformed into a luxurious retreat dedicated to those who dream of losing themselves in a contemplative dimension of beauty, silence and slowness. The renovation project, overseen in every detail by owner Federica Tison Pandolfini, respects the spirit of the location and reinterprets it in the name of lightness and brightness. In all the apartments, the floors and ceilings in antique terracotta and wood dialogue perfectly with timelessly stylish furnishing elements that create an intimate and cosy atmosphere.

Una torre del XIII secolo, che svetta tra le dolci colline del Chianti è stata trasformata in un rifugio lussuoso dedicato a chi desidera immergersi in una dimensione contemplativa fatta di bellezza, silenzio e lentezza. Il progetto di ristrutturazione, curato in ogni dettaglio dalla proprietaria Federica Tison Pandolfini, rispetta lo spirito del luogo e lo reinterpreta all'insegna della leggerezza e della luminosità. In tutti gli appartamenti i pavimenti e soffitti in cotto e legno antichi dialogano alla perfezione con elementi di arredo dallo stile senza tempo che creano un'atmosfera intima ed accogliente.

LOVE FOR QUALITY

The value of Devon&Devon authenticity is the result of its love for design and dedication to the quality of raw materials. It is the result of its attention to the excellence of the productive processes and the passion for craftsmanship and for the talent of those who work with us. A large part of the production is manufactured in Tuscany, the cradle of millenary manufacturing knowledge. The other small production units, which are all European, are found in Italy and England: in each area Devon&Devon enhances the skills of those who, every day, select, sculpt, work, polish, model, decorate and finish their products. This heritage, passed on from one generation to another, is the most credible guarantee of unparalleled quality and value.

Il valore dell'autenticità Devon&Devon è frutto dell'amore per il design e della dedizione alla qualità delle materie prime. Dell'attenzione all'eccellenza dei processi produttivi e della passione per la maestria degli artigiani e per il talento di chi lavora con noi. Gran parte della produzione è realizzata in Toscana, culla di saperi manifatturieri millenari. Le altre piccole unità produttive, tutte europee, si trovano tra l'Italia e l'Inghilterra: in ciascun distretto Devon&Devon valorizza le competenze di chi ogni giorno sceglie, scolpisce, lavora, lucida, modella, decora e rifinisce i suoi prodotti. Questo patrimonio di saperi tramandati di generazione in generazione è la garanzia più credibile di una qualità e di un valore ineguagliabili.
