SICIS
O' CLOCK

Il 1975 fu l'anno in cui si aprì il mondo del lusso e della moda. La Sicilia era ancora un'isola remota, un luogo dove si viveva una vita semplice e tranquilla. Ma con l'arrivo del turismo di massa, la Sicilia si trasformò in una meta di lusso e di moda. Sicis O'Clock nacque in questo periodo, con l'obiettivo di creare orologi di lusso che riflettessero l'identità e la cultura della Sicilia.

Il suo spirito è stato e rimane di essere il punto di riferimento per tutti gli appassionati di orologi di lusso. Sicis O'Clock è un marchio che ha saputo unire la tradizione siciliana con le innovazioni del mondo della moda.
