SICIS

ROOMS

SICIS takes inspiration from the past while looking at the future. Starting from its origins and the Italian character from which it is pervaded, it has a multidisciplinary and multicultural approach to new furniture collections and projects, ranging from architecture to the history of art, from design to fashion.

The Company works instinctively, with intuition and passion, letting the environments tell their story. It aims to create something "beautiful", a beauty that comes with as a final result. It interprets a modern luxury combined with a subtle feeling of relaxation.

Furniture, decorations, floors, walls, are characterized by essential care for details and refined craftsmanship, together with a great commitment to research and production of materials with distinctive qualitative peculiarities. The interiors for SICIS must reflect the essence and life of those who live it. The main objective is to interpret environments, people and colours in a unique and flawless way through a clean taste, with surprising touches of genius and superb use of decorations. SICIS builds architectures by shaping materials and products as if they are a soft fabric and creates details with splendid effects capable of arousing just as many sensations of wonder.

The furnishings, the lights, the decorations, every architectural project in its entirety comes from the dialogue of several people, from the desire to explore and from the desire to always achieve something unique. Furniture, objects, environments created to be lived and valued over time.

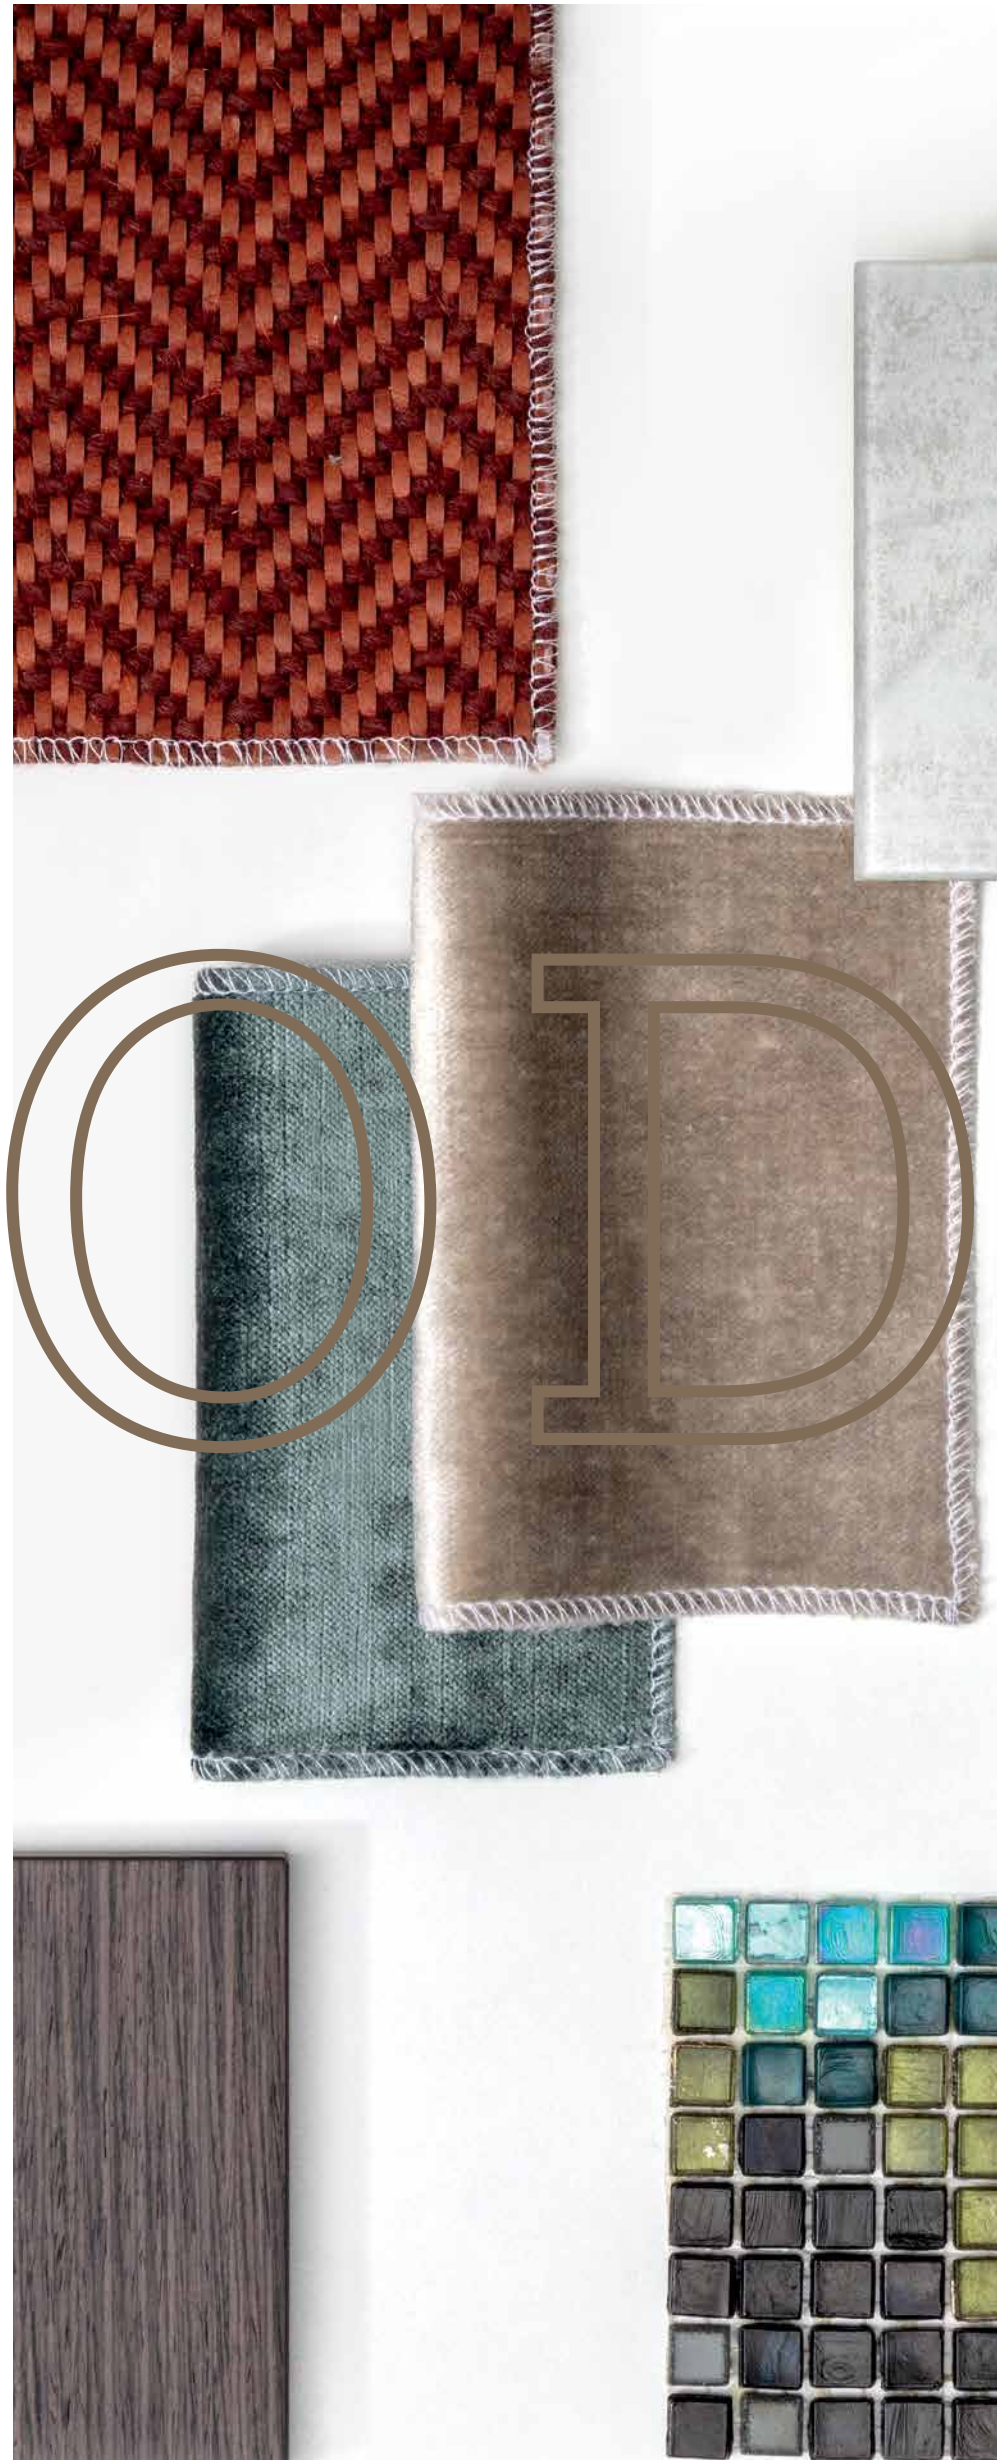

SICIS trae ispirazione dal passato ma guarda sempre al futuro. L'azienda partendo dalle proprie origini e dall'italianità che la pervade ha un approccio multidisciplinare e multiculturale per le nuove collezioni di arredo e per i progetti futuri, che spazia dall'architettura alla storia dell'arte, dal design alla moda.

Lascia che siano gli ambienti a raccontarsi, lavora d'istinto, intuito e passione. Punta a creare qualcosa di "bello" dove la bellezza arriva col risultato finale di ciò che realizza. Ogni pezzo ha una sua ragione d'essere nell'armonia di insieme. Interpreta un lusso moderno combinato ad una sottile sensazione di relax.

Mobili, decori, pavimenti, pareti, sono caratterizzati da una cura essenziale per i dettagli e una ricercata manodopera artigianale, insieme ad un grande impegno nella ricerca e nella produzione di materiali con peculiarità qualitativamente distintive.

Lo spazio per SICIS deve riflettere l'essenza e la vita di chi lo vive. Il principale obiettivo è interpretare gli ambienti, le persone e i colori in maniera unica e impeccabile attraverso un gusto pulito con tocchi di genio che sorprendono e l'uso superbo di decori. Costruisce architetture plasmando materiali e materie come fossero un morbido tessuto e crea particolari con effetti splendidi capaci di suscitare altrettante sensazioni di meraviglia.

Gli arredi, le luci, i decori, ogni progetto abitativo nella sua totalità, nasce dal dialogo di più persone, dal desiderio di esplorare e dalla voglia di realizzare sempre qualcosa di unico. Mobili, oggetti, ambienti nati per essere vissuti e valorizzati nel tempo.
