# OCTO

IT Ricerca, sviluppo, sperimentazione, tecnologia di ultima generazione, design curato nei minimi dettagli. Octo firmato David Lopez Quincoces è un connubio di questi elementi. Le forme della bocca piatta e della leva del rubinetto creano un profilo definito e netto. Il focus è il tema delle proporzioni, in un gioco di equilibri sapientemente soppesati per caratterizzarne il design che, come ama definire il progettista, è femminile e rotondo.

EN Research, development, experimentation, state-of-the-art technology, and design curated down to the smallest detail. Octo by David Lopez Quincoces is a combination of these elements. The shapes of the flat spout and the lever create a defined, clear-cut profile. The focus is the theme of proportions, in a game of balances that have been intelligently considered to characterise the design which, as the designer likes to put it, is feminine and rounded.

ES Investigación, desarrollo, experimentación, tecnología de última generación, diseño cuidado en los mínimos detalles. Octo firmado por David López Quincoces es la unión de todos estos elementos. Las formas del caño plano y de la palanca del grifo crean un perfil definido y neto. El enfoque está en el tema de las proporciones, en un juego de equilibrios sabiamente sopesados para caracterizar el diseño, que, como gusta decir al proyectista, es femenino y redondo.
